Quincy C. Hilliard

Quincy C. Hilliard's compositions for wind band are published by Boosey and Hawkes, Carl Fischer, Neil A. Kjos, Bourne, C.L. Barnhouse, Southern Music, TRN Counterpoint, Harold Gore, Macie, FJH Music and are performed throughout the world. He is frequently Commissioned to compose works, including one for the 1996 Olympic Games in Atlanta and the score for a documentary film, *The Texas Rangers*. For many years, the American Society of Composers, Authors and Publishers (ASCAP) has recognized him with annual awards for the unusually frequent performance of his compositions. Hilliard is regularly invited to conduct, demonstrate effective techniques, and adjudicate festivals throughout the world.

Because Hilliard, the composer, conductor and educator, is also a scholar of Aaron Copland's music and life, Copland estate administrators authorized Hilliard to publish the educational performance edition, *Copland for Solo Instruments* (Boosey and Hawkes, 1999). To train school band students, he wrote *Superior Bands in Sixteen Weeks* (FJH Music Company, 2003), *Chorales and Rhythmic Etudes for Superior Bands* (FJH Music, 2003), *Theory Concepts* and is co-author of the *Skill Builders*, Books One and Two (Sounds Spectacular Series, Carl Fischer, 1996). He has presented scholarly papers on music theory and analysis at meetings of the College Music Society and the Central Gulf Society of Music Theory (of which he is past president). He has published articles in *Opera Journal*, *The Instrumentalist*, *School Musician*, *Bandworld*, *American Music Teacher*, *Florida Music Director*, and *Tennessee Musician*.

Hilliard is composer in residence and the Heymann Endowed Professor of Music at the University of Louisiana, Lafayette. Previous teaching positions were at Nicholls State University, Florida International University, North Marion High School (Sparr, Florida), and White Station Junior and Senior High School (Memphis, Tennessee).

He holds the Ph.D. in music theory and composition from the University of Florida where, in 1999, he was recognized as the outstanding alumnus of the school of music. He holds the Masters of Music Education from Arkansas State University and the Bachelor of Science in Music Education from Mississippi State University where he was designated college of education 1998 alumnus of the year. Hilliard's early music experience was as a trumpet player in the public elementary and high school of his native Starkville, Mississippi.

Dr. Hilliard serves as a composer, clinician, consultant for Boosey and Hawkes Publishers and Carl Fischer Publishers. He is also president of Hilliard Music Enterprises, Inc. a personal consulting firm, which has a corporate board of distinguished music educators. He and his wife Rubye have two sons.
